Studies

Degrees & thesis

June 1976 Graduated from Arsakeio Psychikou (High School) with a rate 18 1/3.

September 1976 She entered the School of Rural and Surveying Engineers of AUTH after successful examination

September 1977 She was transferred to the 2nd academic year at the School for Rural and Surveying Engineers of NTUA after successful examination; rate: excellent (2nd in 70 students)

March 1982 she graduated from the above school with rate: 7.66 (3rd in her class). Her diploma thesis was titled "Analytical photogrammetric restitution using Stereocord-G2", rated: excellent (10).

June 1995 she completed her PhD at NTUA; titled: "Digital Cartographic Data for the Hellenic Cadastre".

June 2006 She attended the following MIT (Massachusetts Institute of Technology) professional education courses on Real Estate Markets Center for Real Estate:

- Fundamentals of Real Estate Finance
- Real Estate Markets: Location, Product, Timing
- Introduction to Commercial Real Estate Development.

Languages

English: Proficiency in English, Cambridge.
German: Mittelstufe level, Goethe Institut.

Scholarships

1976 Scholarship for her graduation rates at High School (National Insurance).

1977 Scholarship from AUTH for her rates in the first year.

1980-81 Scholarship from the TCG for her rates.

1982 Scholarship for her university graduation rates (National Insurance).

Teaching Activity

University teaching

Since 1983 she participated in NTUA teaching activities especially she carried out the exercises and gave lectures in all courses offered by the Lab of Photogrammetry. Since 1992, according to secretariat records, she has participated in the following undergraduate courses:

- Cadastre,
- Photogrammetry I,
- Digital photogrammetry,
- Summer courses in photogrammetric practice,
- General cartography,
- Archaeological surveys,
- Cadastre and LIS,
- Modern photogrammetry,
- Photogrammetry II,
- Topography for Architects.

Since she became Lecturer she has self-reliant teaching activity, in the following undergraduate courses in the School for Rural & Surveying Engineers (SRSE) NTUA:

- ‘Cadastre’, obligatory course of the 7th semester of the undergraduate programme of the School for RSE,
- ‘Cadastre and LIS’, optional course of the 8th semester of the undergraduate programme of the School for RSE,
- ‘Real Estate Valuation & Land Management’, optional course of the 8th semester of the School for RSE,
- ‘Development and Management of Land Administration Systems’, problem-based course of the 9th semester.

She also has self-reliant teaching activity in the post graduate course offered by the postgraduate programme “Geoinformatics”, offered by NTUA:

- ‘Real estate valuation –real estate development’, course of the 2nd semester.

She was an invited lecturer at the masters programme “Land Management and Land Tenure” of the Technical University of Munich, on the topic “Informal Development in Europe”, in 2010 <http://www.landentwicklung-muenchen.de/master/index.html>

Supervision of Diploma Theses

Since autumn 2005 (*after she became a Lecturer*) until today, she has been officially **responsible for the supervision of 36 diploma theses in total**: 32 of the undergraduate programme of the School for RSE and 4 at the postgraduate programme “Geoinformatics” offered by NTUA. She has

participated in the supervision and examination of several other diploma theses as well.

Supervision and examination of PhD theses

Supervision of PhD theses

She currently supervises the following **4 PhD theses**:

- Sofia Basiouka, titled: «*Development of a Model for integration of volunteered geographic information VGI into cadastral databases*» (decision of GA of SRSE 6/10/2010)
- Christina Alexiadi, titled «*BIM – Building Information Modelling*» (Decision of General Assembly of the SRSE 7/6/2012)
- Maria Filippakopoulou, in the field of «*Real estate valuation and Land Management*» (accepted by the GA in June 2012; the exact title of her PhD has not yet been defined yet)
- G. Mourafetis, in the field of Cadastre (has not been defined yet)

Examination of PhD theses in Greece

She has been examiner (in a 7-member examination committee) of **4 PhD theses**, to date.

- K. Daniilidis, July 2007. titled: «Transaction management in a land administration system- Fochal algorithm» (Supervisor: Prof P. Zentelis), SRSE NTUA.
- N. Androulakis, June 2010. «Interoperability in GIS education for Adults – *Software for distant learning*» (Supervisor: Professor K. Koutsopoulos), SRSE NTUA.
- S. Misirloglou, June 2011. «Modelling the management of the urban municipal cadastre» (Supervisor: Professor A. Arvanitis), Department of Rural and Surveying Engineers (DRSE) AUTH.
- E. Ilia, January 2012. «Operation and development of cadastral systems- Structuring and implementation of a model for state property management in Cyprus» (Supervisor: Professor P. Zentelis), SRSE NTUA.

Examination of PhD theses in foreign universities

She was external examiner for the following **2 PhD theses**:

- H. Mohammadi, June 2009. '*The Integration of Multi-source Spatial Datasets in the Context of SDI Initiatives*'. Centre for Spatial Data Infrastructures and Land Administration, Department of Geomatics, Faculty of Engineering, The University of Melbourne, 245 p.
- Muyiwa Agunbiade, December 2012. '*Land Administration for Housing Production*'. Centre for Spatial Data Infrastructures and Land Administration, Department of Infrastructure Engineering, The University of Melbourne, 293 p.

Course material and Teaching notes

- *Digital photogrammetric systems*, 1992, 20 p (co-author C. Ioannidis)
Chapter (9th) of the notes for the optional course «Digital photogrammetry» of the 9th semester of SRSE NTUA.
- *Photogrammetric hardware and software – Adjudication of owners for the cadastre*, 1994, 41 p.
Chapters (8th and 9th) of the notes for the seminar titled «Cadastre and LIS», organized for the 4th programme for capacity building in NTUA, 5 – 14 December 1994, scientific responsibility: Professor P. Zentelis.
- *Digital spatial data collection – photogrammetric restitutions using CAD*, 1995, 18 p.
Special chapter for the seminar notes for «cadastre and LIS», organized in October-November 1995, scientific responsibility: Professor P. Zentelis.
- *International trends and developments of cadastral systems*, 1998, 10 p.
Additional notes for the obligatory course «Cadastre» of the 7th semester SRSE NTUA.
- *Cadastre and land administration in the European region– trends and principles*, 2005, 15 p.
Additional notes for the optional course «Cadastre and LIS» of the 8th semester SRSE NTUA
- *Land and land administration*, 2005, 19 p.
Slides for the optional course «Cadastre and LIS» of the 8th semester SRSE NTUA
- *Current trends: e-Government) and e-Land Administration*, 2006, 21 p.
Additional notes for the optional course «Cadastre and LIS» of the 8th semester SRSE NTUA
- *The social and economic benefits of cadastre and land administration*, 2006, 7 p.
Additional notes for the optional course «Cadastre and LIS» of the 8th semester SRSE NTUA
- *Cadastre and National economy: Property valuation, property taxation, property markets*, 2008, 20 p.
Additional notes for the optional course «Cadastre and LIS» of the 8th semester SRSE NTUA
- *The marine cadastre*, 2008, 42 p.
Additional notes for the optional course «Cadastre and LIS» of the 8th semester SRSE NTUA.
- *Informal development in Greece: Land management and National Cadastre*, 2010, 64 p.

Slides for the problem-based course on «Development and management of land administration systems» of the 9th semester SRSE NTUA

- *The real estate and its valuation – The nature of value, Supply and Demand – Information Systems for property valuation*, 2011, 26 p.

Slides for the optional course «Real estate valuation & Land management» of the 8th semester SRSE NTUA.

- *Cadastre and climate change*, 2011, 21 p.

Additional notes for the optional course «Cadastre and LIS» of the 8th semester SRSE NTUA

- *Land consolidation: a tool for land management*, 2012, 36 p.

Slides for the obligatory course «Cadastre» of the 7th semester SRSE NTUA

- *The European and international approach for obligatory land expropriation – Obligatory land expropriation in Europe and in Greece*, 2012, 17 p.

Additional notes for the obligatory course «Cadastre» of the 7th semester SRSE NTUA

Seminar Lectures

- Capacity building seminar for unemployed engineers, organized by the Laboratory of Photogrammetry of NTUA 10/9-10/11/1988, titled «photogrammetric archaeological surveys»

Lecture: “*Analytical photogrammetric restitutions*”

- Capacity building seminar for unemployed engineers, organized by the TCG, December 1993, titled «Digital processing of airphotos and remote sensing images».

Lecture: “*Digital orthophoto and mosaics*”

- Capacity building seminar, organized by NTUA in 1994, titled «Cadastre and LIS» (scientific responsibility: Professor P. Zentelis).

Lectures:

‘*Photogrammetric hardware and software for the cadastre*’

‘*Procedure for the adjudication of owners*’.

- Capacity building seminar, organized by NTUA, titled: «Archaeological surveys», 7/11-16/12/1994 (scientific responsibility: Prof J. Badekas and Prof D. Zivas).

Lectures:

‘*Photogrammetric instruments*’,

‘*Analog stereorestitution*’ and

‘*Analytical stereorestitution*’.

- Capacity building seminar, organized by NTUA titled «Cadastre and LIS» (scientific responsibility: Prof P. Zentelis), October-November 1995.

Lectures:

*'Procedure for adjudication of owners',
 'Digital spatial data collection',
 'hardware and software' and
 'Analytical photogrammetric restitution in urban areas'.*

- Seminar titled «Cadaastre and LIS» for the engineers of Cyprus, organized by NTUA and the Technica Chamber of Cyprus (scientific responsibility: Prof P. Zentelis), 3-6 February 1999.

Lecture: *'Current trends and developments in land administration – Cadastral systems in Europe'.*

- Capacity building seminar for unemployed engineers organized by IEKEM-TEE the Technical Chamber of Greece, titled «GIS and applications in Greece», 1/2/1999 – 17/5/1999, of 350 hrs (scientific responsibility: Prof P. Zentelis and Dr Chryssy Potsiou).

Lectures:

*'Cadastral data collection for the Greek cadastre',
 'GIS and Archaeology',
 'the IT system of KTIMATOLOGIO SA'*

- Capacity building seminar for unemployed engineers organized by IEKEM-TEE the Technical Chamber of Greece, titled «GIS, developments and applications in Greece», 29/5/2000 – 28/7/2000, of 250 hrs (scientific responsibility: Prof C. Ioannidis and Dr C. Potsiou).

Lecture:

*'Introduction to GIS' and
 'Presentation of HEMCO'*

- International seminar financed by the World Bank for the "Center for Land Reform Implementation Support project (Center LARIS) – ANO RCP" of Russia, organized by NTUA, October-December 2003, titled: «Land Cadaastre and Registration of Rights». Lectures:

*'Data collection methods for the Hellenic Cadastral Project',
 'Description of the Hellenic Cadastral Information System',
 'NSDI activity in Greece'.*

Seminar material and notes were prepared and translated into Russian.

- Seminar for the employees of the Department of Land Consolidation of the Ministry for Agriculture of Cyprus organized in Cyprus, November 2008.

Lecture: *'Land consolidation as a tool for land management',*
http://www.survey.ntua.gr/geohopper/Agros_Cyprus.htm.

- Expert Group Meeting on «Tools for Legal Integration and Provision of Environmental Improvements in Informal Settlements in Europe», organized in Athens, 27-28 November 2008, by FIG, UN-HABITAT and GLTN (Global Land Tool Network).
- II International Training Course in Topography for Young Surveyors, organized in Rome, September-October 2010, by Consiglio Nazionale Geometri e Geometri Laureati (National Association of the Italian Surveyors).

Lecture: *'The rapid urbanization and the need for spatial information and NSDIs for good governance'.*

- III International Training Course in Topography for Young Surveyors, organized in Athens, October 2011, by Consiglio Nazionale Geometri e Geometri Laureati (National Association of the Italian Surveyors) and Hellenic Association of Rural and Surveying Engineers.

Lectures:

‘Informal urban development in Europe – Tools for formalization’

‘Real estate market needs in Europe’.

- Capacity building seminar titled «Informal development», organized in Athens, October 2011, by IEKEM TEE of the Technical Chamber of Greece.

Lecture: *‘Experience and current trends and practices in 7 Balkan and Mediterranean countries- Financing’.*

Research activity

Research interests

Her research interests include the fields of cadastre, land administration, valuation and property markets, land policy and land management and spatial information management. More specifically:

- Investigation of modern land policies for economic development, pro poor land tools, affordable housing, property markets, property valuation and taxation, climate change and risk management, privatization, compilation of guidelines, marine cadastre, land consolidation, land expropriation, legal, financial, administrative aspects, etc
- Investigation of new tools and the role of surveyor to deal with global challenges, problem-based learning and capacity building in land policies
- Technical aspects of spatial information management, harmonization, crowdsourcing and social media in land administration, 3d-4d cadastre, BIM, NSDIs,
- Spatial information management for archaeology, recording, documentation, visualization and management of cultural heritage, etc.

Reviewer of papers published in journals and conferences

She has been the Chief Editor for the organization of the Peer Review Process of the annual conferences:

- FIG Working Week 2008 (Stockholm, Sweden),
http://www.fig.net/pub/fig2008/peer_review.htm
- FIG Working Week 2009 (Eilat, Israel),
<http://www.fig.net/pub/fig2009/peerreview.htm>

She reviews papers for the following journals:

- Journal of Computers, Environment and Urban Systems (CEUS),
- Surveying and Land Information Sciences (SaLIS),
- Nordic Journal of Surveying and Real Estate Research,
- Survey Review,
- Land Policy,
- South-Eastern European Journal of Earth Observation and Geomatics

She reviewed papers (double blind peer review of full paper) **for the following conferences:**

- CIPA / VAST / EG / EuroMed 2006 Joint Event, October 2006 (Nicosia, Cyprus) – reviews of full papers, project papers, short papers
- FIG Commission 3 Workshop, March 2007 (Sounio, Greece)
- FIG Commission 3 Workshop, February 2008 (Valencia, Spain)
- FIG Working Week 2008 (Stockholm, Sweden)
- Virtual Systems and MultiMedia (VSMM), October 2008 (Limassol, Cyprus)
– reviews of full papers, project papers, short papers
- FIG Commission 3 Workshop, February 2009 (Mainz, Germany)
- FIG Working Week 2009 (Eilat, Israel)
- FIG Working Week 2010 (Sydney, Australia)
- FIG Commission 3 Workshop, 2010 (Sofia, Bulgaria)

- FIG Working Week 2011 (Marrakech, Morocco)
- FIG Commission 3 Workshop, 2011 (Paris, France)
- FIG Working Week 2012 (Rome, Italy)
- FIG Commission 3 Workshop, 2012 (Athens, Greece)
- FIG Commission 3 Workshop, 2013 (Skopje, FYROM)

She was responsible for the selection of papers that were presented in the following workshops:

- As chair of FIG Commission 3
 - FIG Commission 3 Workshop, Sounio, Greece, March 2007
 - FIG Working Week 2007, Hong Kong, China, May 2007
 - 6th FIG Regional Conference, San José, Costa Rica, November 2007
 - FIG Commission 3 Workshop, Valencia, Spain, February 2008
 - FIG Working Week 2008, Stockholm, Sweden, June 2008
 - FIG Commission 3 Workshop, Mainz, Germany, February 2009
 - FIG Working Week 2009, Eilat, Israel, May 2009
 - 7th FIG Regional Conference, Hanoi, Vietnam, October 2009
 - FIG Working Week 2010, Sydney, Australia, April 2010
 - FIG Commission 3 Workshop, Sofia, Bulgaria, February 2010
- As Council member of FIG
 - FIG Working Week 2012/Task Force Sessions, Rome, Italy, May 2012
 - 8th FIG Regional Conference/Task Force Sessions, Montevideo, Uruguay, November 2012
- As Bureau member of UNECE Working Party on Land Administration
 - Joint Workshop of UNECE WPLA / FIG Commission 3 / FIG Commission 7, Kavouri, Greece, May 2003
 - Joint Workshop of UNECE WPLA / FIG Commission 3 / FIG Task Force on Property & Housing, Athens, Greece, December 2012

She was a reviewer of scientific research proposals to be financed by the Czech Science Foundation.

External referee for promotion in other University

She was external referee for the promotion from the level of Associate to the level of Professor at the Schulich School of Engineering, of University of Calgary, after an invitation by Dr. M. Elizabeth Cannon, Dean of the Schulich School of Engineering, of University of Calgary, Canada.

Scientific Responsibility for research projects

- 2002 -today She is working voluntarily, as a national delegate, at the Technical Chamber of Greece, at the International Relations Office.
- 2002 -today She is also active as independent expert in the greater European region, in the fields of land administration and land management.
- 2010 She was an invited lecturer at the Master's programme "Land Management and Land Tenure" of the Technical University of Munich, on the topic "Informal Development in Europe", in 2010 <http://www.landentwicklung-muenchen.de/master/index.html>
- 2011 She was honoured to become honorary member of the Albanian Association of Geodesy.

Elected member:

- The Hellenic Society for Photogrammetry and Remote Sensing for the following periods 1992-1996, 1996-2000, 2000-2005 και 2005-2009
- The Hellenic Society for Geographic Information Systems- HellasGIs for the periods. 2002-2004, 2004-2006 and 2008-2010.

Organization of Greek conferences & member of committees in Greece

She was member of the organizing committee of the following conferences:

- 1983 Two-day workshop on 'Thematic maps and surveying for housing development'
- 1986 1st conference on 'Perspectives of the Greek cadastre'.
- 1989 2nd conference on 'Perspectives of the Greek cadastre'
- 2002 2nd Panhellenic conference on GIS, HellasGIs.
- 2003 HellasGI: "GIS on go".
- 2004 3rd Panhellenic conference on GIS, HellasGIs: "The geoinformation society".
- 2006 4th Panhellenic conference on GIS, HellasGIs: "e-government: the role of GIS".
- 2010 6th Panhellenic conference on GIS, HellasGIs.

She was member of the following committees:

- 1994 TCG WG on legal aspects «a proposal for the Greek cadastre».
- 1997 SRSE NTUA WG on "collection of information about the educational programme of the following universities: UNB, New South Wales-Australia, ETH-Zurich, Swiss Federal Institute of Technology-Lausanne, Calgary, Geodaetisches Institut Darmstadt.
- 1997 TCG WG on "quality control of the final product of the Greek cadastre"
- 1998 HEMCO WG on "the cadastre of Dodecanese and the Greek cadastre- a proposal for their integration"
- 2000 KTIMATOLOGIO SA WG on "examination of objections on the commissioning of airphotography projects"
- 2004-09 Editorial board of Geoanalekta journal – HellasGI.

2007-09 TCG and HARSE WGs on “cadastre”

2012-today member of the Scientific Committee of KTIMATOLOGIO SA

She was delegate from the KTIMATOLOGIO SA for the period 1998-2001, in the following international organizations:

- MOLA (Meeting of Officials on Land Administration)
- CERCO (Comite Europeen des Responsables de la Cartographie Officielle)
- EUROGEOGRAPHICS.

She is the TCG delegate at the FIG General Assembly since 1999, and the national delegate of Greece in FIG Commission 3.

She is a member of TCG, HARSE, HSPRS, and CIPA.

International Activity

Cooperation with FIG

- 1983-1994 Συμμετοχή στα συνέδρια της Διεθνούς Ομοσπονδίας Τοπογράφων (FIG), με παρουσίαση επιστημονικών εργασιών.
